Space Turn LB2500 EXII

Brand: Okuma Australia
Product Code: STL B#2500
Availability: In Stock
Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

The LB2500 EX-II 2-axis turning center is built on Okuma's Thermo-Friendly Concept to ensure minimal thermal growth, and slanted box bed construction translates to unsurpassed quality and rigidity.

Description

The LB2500 EX-II 2-axis turning center is built on Okuma's Thermo-Friendly Concept to ensure minimal thermal growth, and slanted box bed construction translates to unsurpassed quality and rigidity. Equipped with Okuma's high power, high torque PREX motor, this machine delivers high quality machining from heavy to high speed cutting with a through-hole diameter able to accommodate larger workpieces. The operator-friendly Okuma OSP P300L control makes this machine not only easy to operate, but also to integrate with other peripheral equipment. This machine boasts a large work envelope in a very small footprint, making it an effective choice when floor space it at a premium.
