LAW-V24

Brand: Okuma Australia
Product Code: LAW#V24
Availability: In Stock
Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

The Okuma LAW-V24 CNC turning center is the latest evolution of Okuma's large 4-axis turning centers for aluminum wheel machining.

Description

The Okuma LAW-V24 CNC turning center is the latest evolution of Okuma's large 4-axis turning centers for aluminum wheel machining. Two turrets offer dramatic improvements in process flexibility and cycle time when compared to single saddle machines. The LAW-V24 has 2 independent, 6-station turrets, 3,000 rpm and 87 HP. The large frame and machine travels can machine a 24 inch wheel. The vertical orientation offers superior chucking of large wheels as well as excellent chip removal. 4-Axis is the easy way, with the Okuma's OSP control, where there is no need to zero return.

Specification

MODEL	UNIT	LAW-V24
Max work size	in	24.5"x12J
Spindle speed	min-1	3,000
Turret		V6+V6
Motor (VAC)	kW	55/45
Floor Space	mm	3,240x3,220
