
GENOS M560-V

Brand: Okuma Australia

Short Description

Based on the proven technology of the MB-V Series, the GENOS M Series of CNC vertical machining centers offers Okuma value at an economical and affordable price.

Description

Based on the proven technology of the MB-V Series, the GENOS M Series of CNC vertical machining centers offers Okuma value at an economical and affordable price. Highly rigid, thermally-stable construction allows this vertical machining center to withstand thermal deformation resulting in reduced thermal growth and improved machining performance. It can handle a variety of materials, from titanium to aluminum, and does so without sacrificing finish quality or productivity. Designed on the Thermo-Friendly Concept and controlled by the open-architecture, user-friendly OSP-P control, the GENOS M560-V truly

delivers Affordable Excellence.

Specification

MODEL	UNIT	GENOS M560-V
Travels (X-Y-Z)	mm	1050x560x460
Table	mm	1300x560
Spindle Speed	min-1	15000
Tool Storage	tools	32
Motor (VAC)	kW	22/18.5
Floor Space	mm	2520x3105
