SPACE CENTER MA-550VB

Brand: Okuma Australia
Product Code: MA#550VB
Availability: In Stock
Weight: 0.00kg
Dimensions: 0.00cm x 0.00cm x 0.00cm

Short Description

The MA-550V harnesses the full potential of power and speed. Designed with a dual way system, this vertical machining center combines the heavy duty cutting power of box ways with the high-speed capability of the linear guide.

Description

The MA-550V harnesses the full potential of power and speed. Designed with a dual way system, this vertical machining center combines the heavy duty cutting power of box ways with the high-speed capability of the linear guide. This unique approach creates a versatile machine able to accommodate multiple cutting and finishing needs on a single machine. Extreme power must be balanced by control. Okuma designed the box ways on the MA-550V with an internal coolant system to eliminate overheating. A geared headstock provides maximum torque and horsepower throughout the entire RPM range for heavy machining.

Specification

MODEL	UNIT	SPACE CENTER
		MA-550VB
Table	mm	1,300x560
Travels (X-Y-Z)	mm	1,300x560x560
Spindle Speed	min ⁻¹	6,000
Tool Storage	tools	32
Motor (VAC)	kW	22/15/11
Floor Space	mm	3,200x2,855
