## MILLAC 561VII

**Brand:** Okuma Australia  
**Product Code:** M#561VII  
**Availability:** In Stock  
**Weight:** 0.00kg  
**Dimensions:** 0.00cm x 0.00cm x 0.00cm

### **Short Description**

The Millac 561V II vertical machining center is the ultimate in large machining centers with high rigidity, heavy cutting ability and high operability.

### **Description**

The Millac 561V II vertical machining center is the ultimate in large machining centers with high rigidity, heavy cutting ability and high operability. The strong base column construction has optimally-placed ribs to counter chatter and twisting during heavy-duty cutting. Traditional box ways are used for all axes to give high accuracy and rigidity over the long term. With the use of variable speed gear head and large-diameter spindle bearings, this machine can perform heavy-duty cutting and rapid machining with large torque from low to high speeds. The ample travel and table designed to withstand heavy loads are well-suited for the machining of large, heavy workpieces.

## Specification

| MODEL           | UNIT  | MILLAC 561VII     |
|-----------------|-------|-------------------|
| Table           | mm    | 1,350 x 560       |
| Travels (X-Y-Z) | mm    | 1,050 x 560 x 520 |
| Spindle Speed   | min-1 | 12,000            |
| Too Storage     | tools | 20                |
| Motor (VAC)     | kW    | 22/18.5           |
| Floor space     | mm    | 2,650 x 3,285     |
